REGISTERED CABLE ADDRESS: "CHAPMAN, PHILADELPHIA."

Mr. F. A. Gilmore,

Dear Sir:

When your letter of the 20th was received we could not see how this matter of so many lots selling below your bids occurred but we have discovered that in the haste of entering bids the last day's bids were not called intending to do so the night of the 3d and in about twelve instances this was done. Yours was the only one overlooked from the fact that it had inadvertently been placed in the fully entered pack. To rectify this error we have today sent by express all but one lot so missed and do so at the prices brought at the sale with our commission and postage added the same as if you had been a purchaser at the sale. In order that you might have secured these pieces at least one bid higher would have been necessary. We hope this will meet with your approval as the coins are certainly cheap enough.
